### 1) Westwood Strata KAS 1447 RV Parking Rule July 8, 2023

At our June 12th AGM, it was approved to institute a rule with regards to parking of RV's, trailers, recreational equipment and commercial vehicles on strata roadways.

The new rule is:

Trailers, boats, commercial vehicles, recreational vehicles and other similar equipment, are not to be parked on Strata roadways or Strata vacant lots. The aforementioned vehicles and equipment are to be parked only on strata owner's private property.

Trailers when connected to a towing vehicle may park on Strata roadways for a maximum of 24 hours for the purposes of loading, unloading and cleaning.

As with other districts and city by-laws, all cars, trucks, vans and other vehicle must display valid licence plates.

This rule is in effect immediately.

Please be respectful of this new rule and be courteous to your neighbours regarding the number of cars parked in-front of your own home.

As with all rules there will be exceptions. If you are having guests visiting and staying in their RV, they are still welcome for the duration of their stay parked in-front of your own home.

Thanks in advance for your cooperation.
